

Client Feedback Survey

benefiz

Tim Gillingham

November 2023

Summary

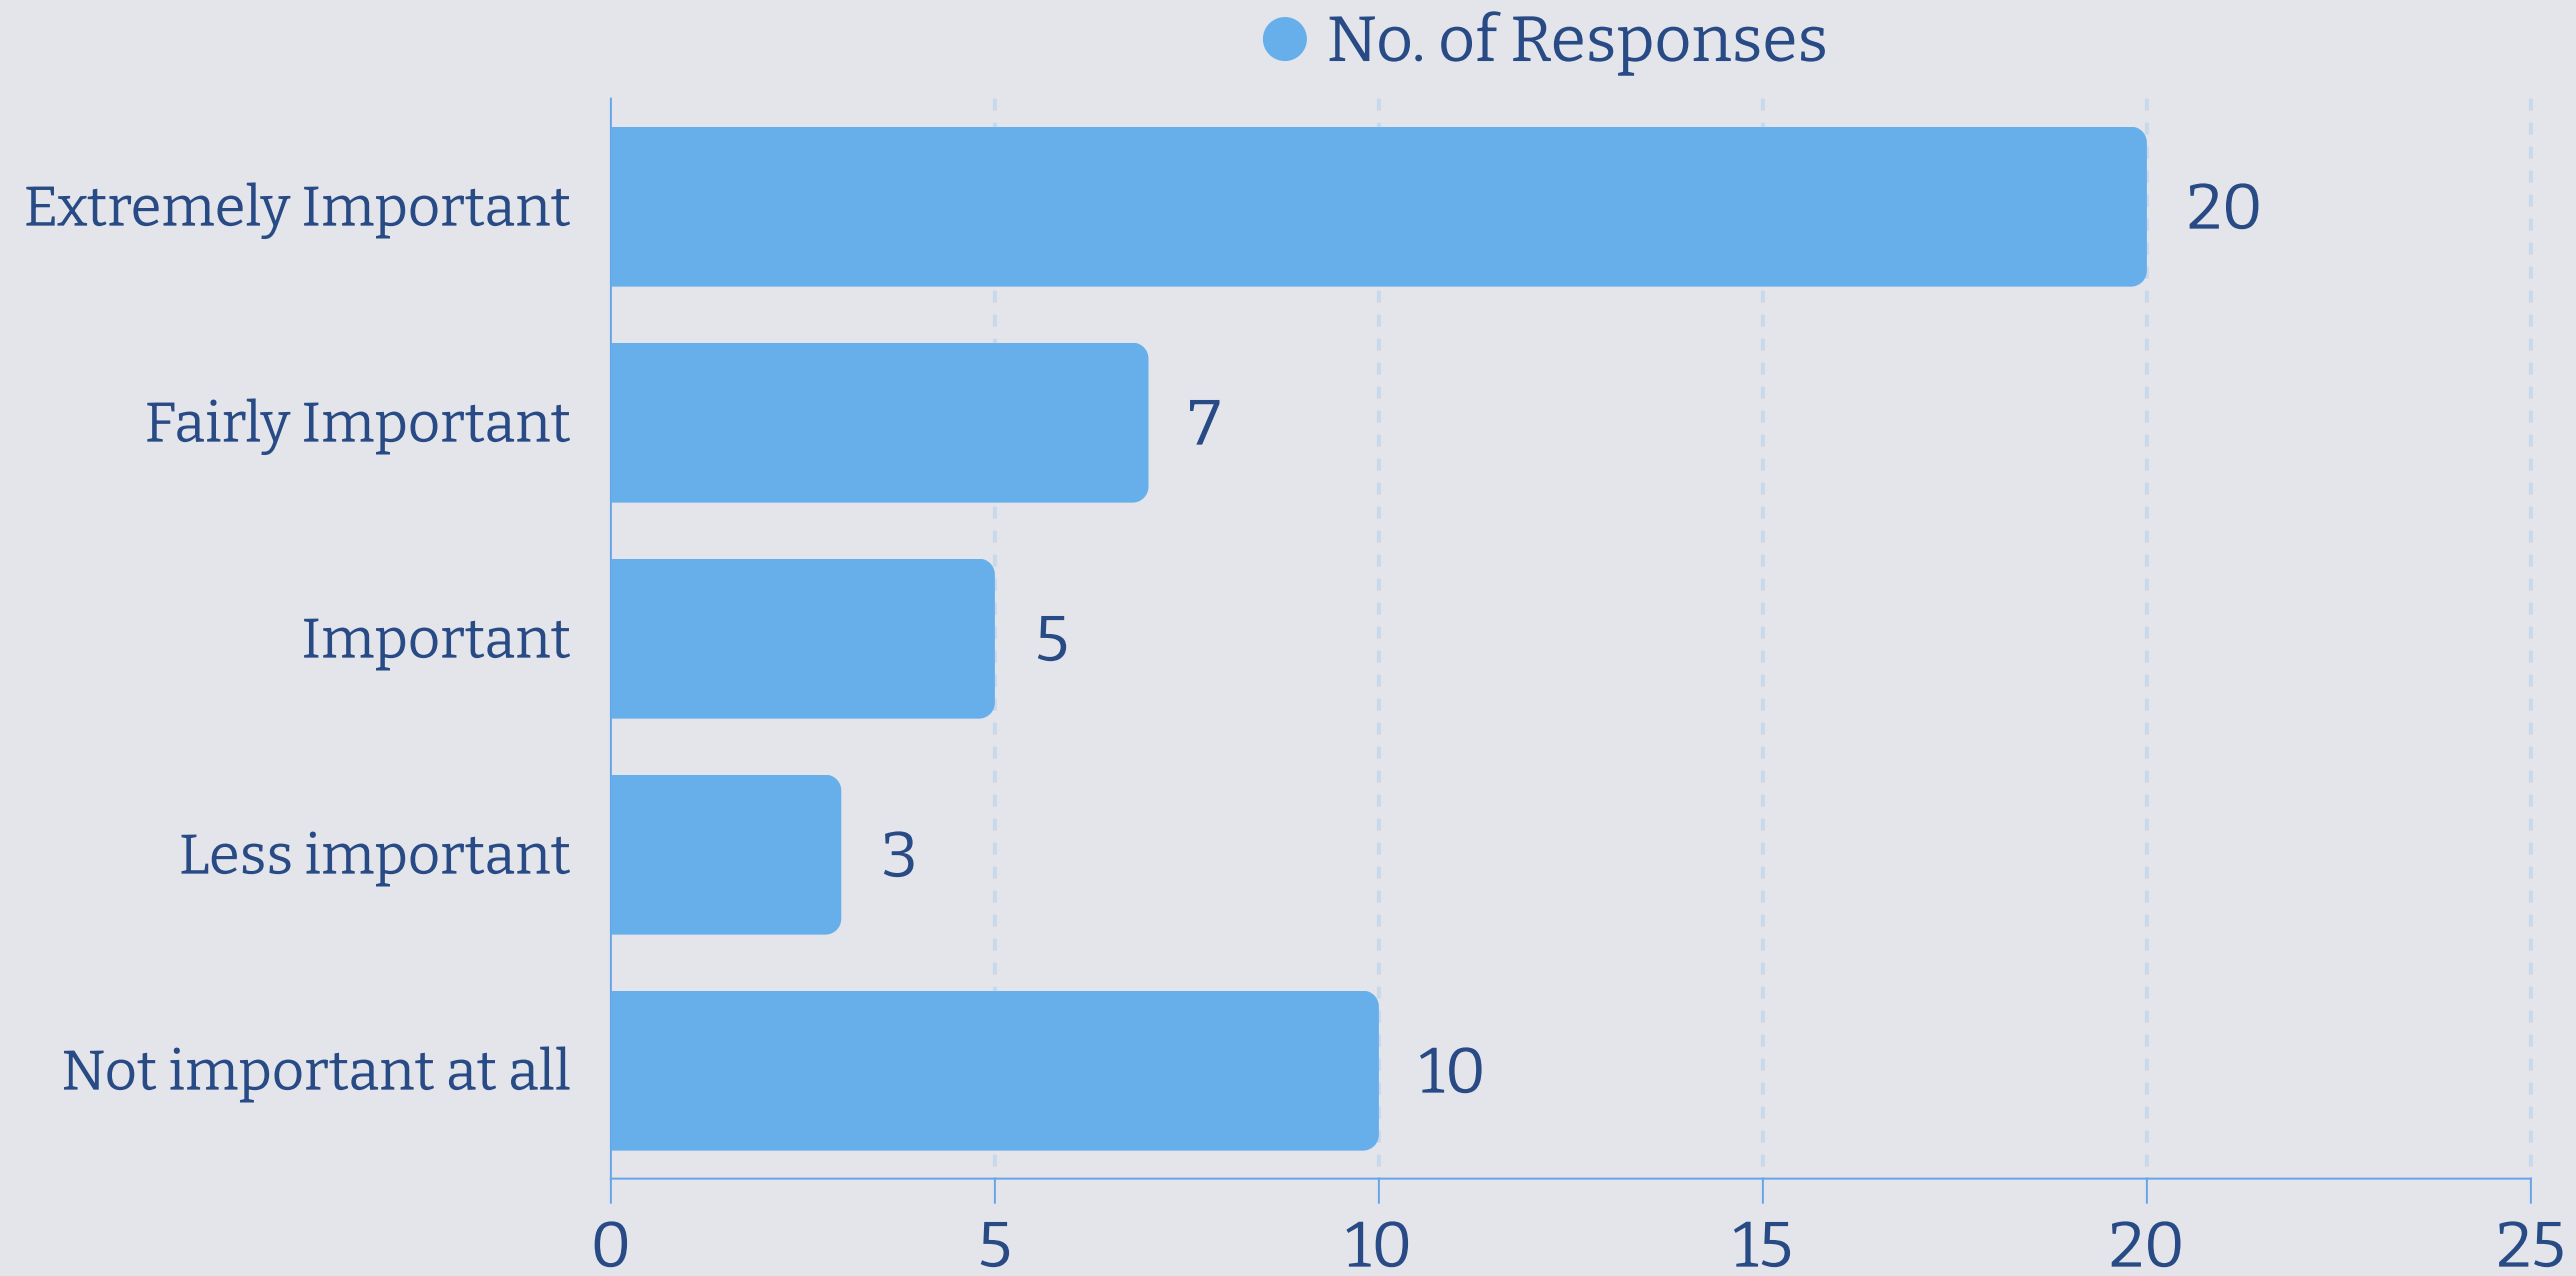

We asked all of our clients to rate in order of importance seven topics:

1. Tools to support mental health in the workplace
2. Supporting employees with financial wellbeing
3. Digitising your employee benefits to offer more flexibility
4. Benefits in countries outside the UK
5. Communicating free added value benefits
6. Supporting employees approaching retirement
7. Benchmarking your benefits against your competitors

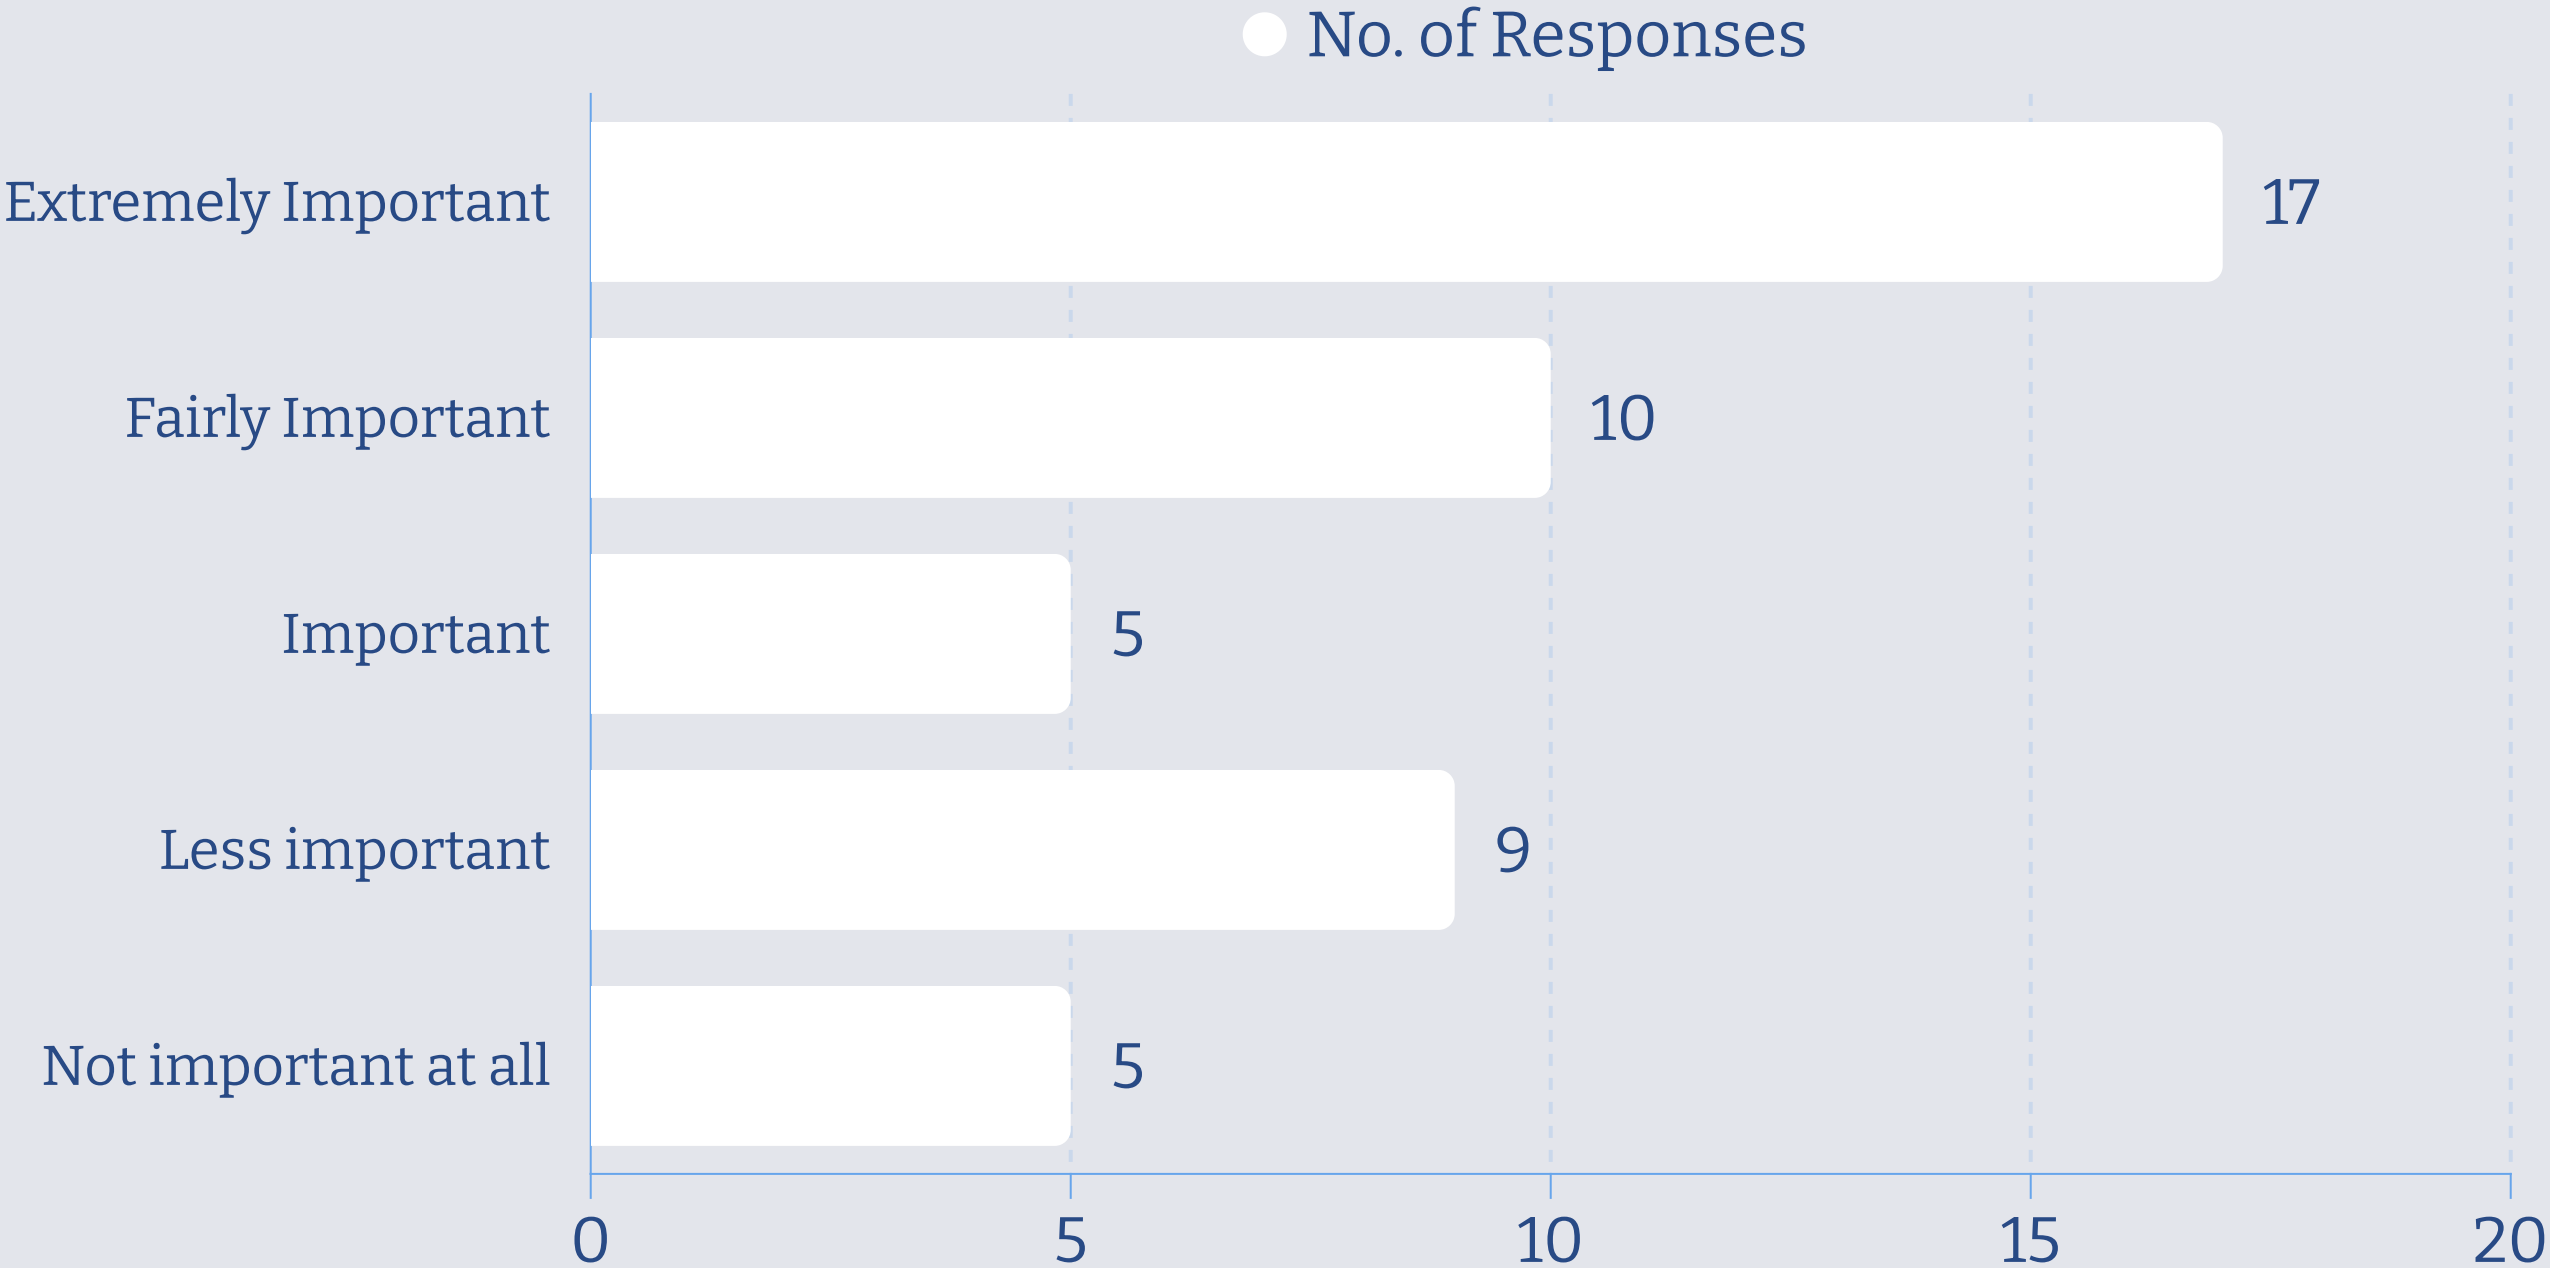

Results:

Out of 126 surveys there were 44 responses (35%)

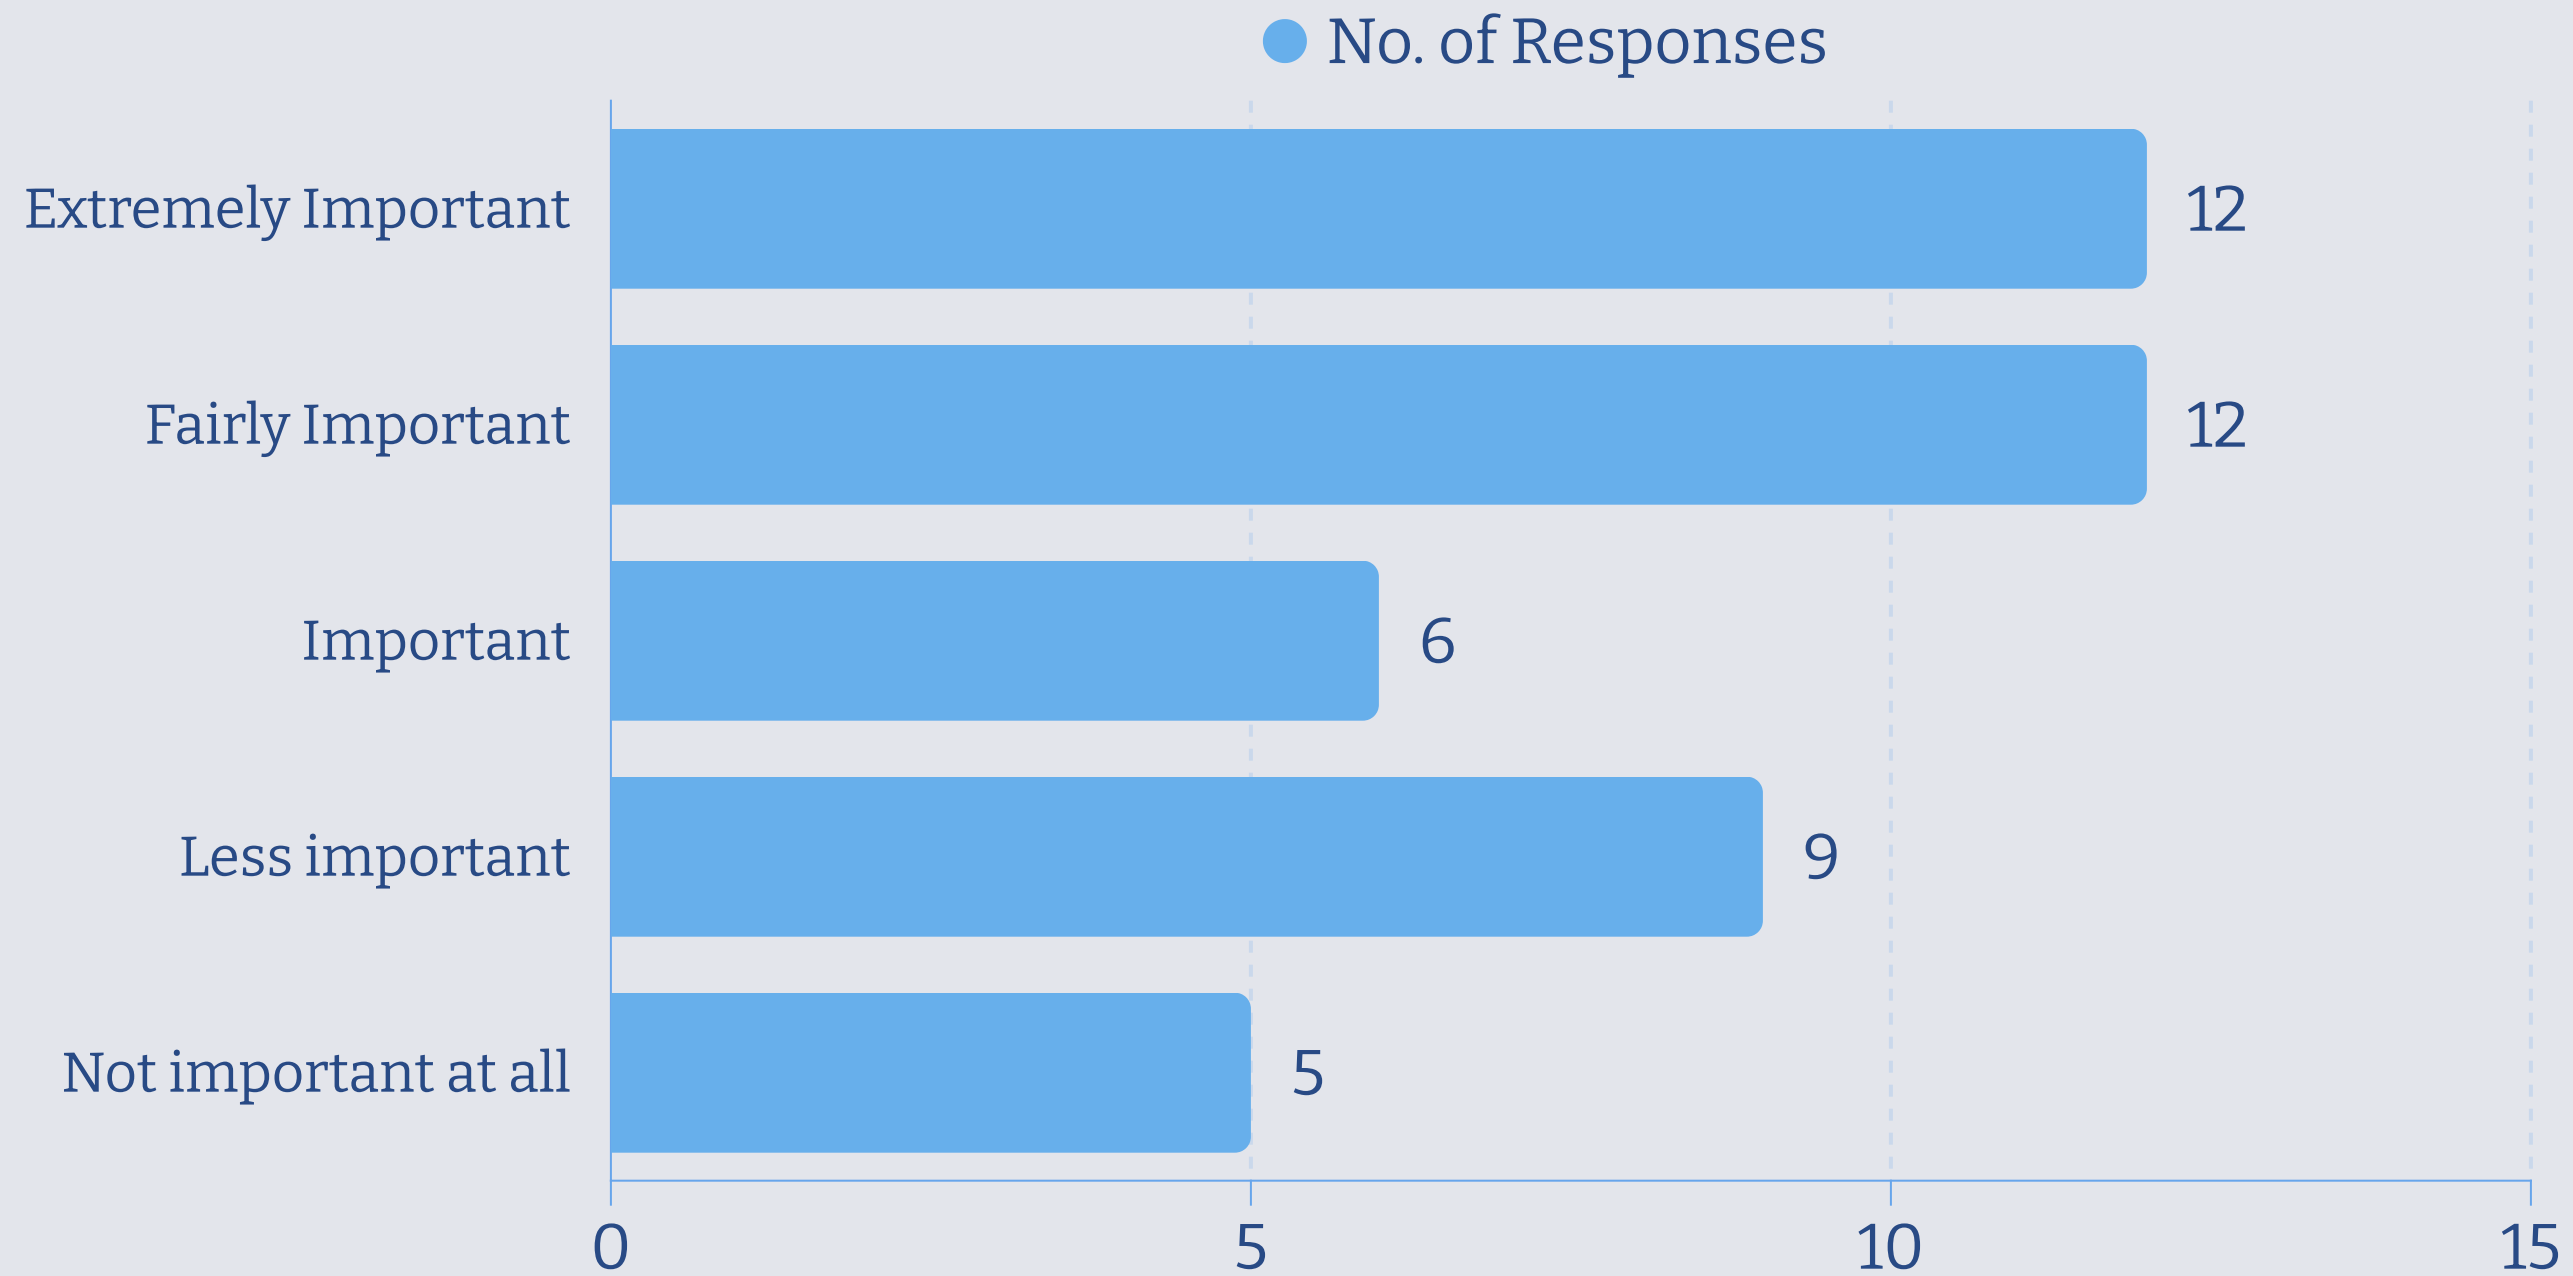

Tools to support mental health in the workplace

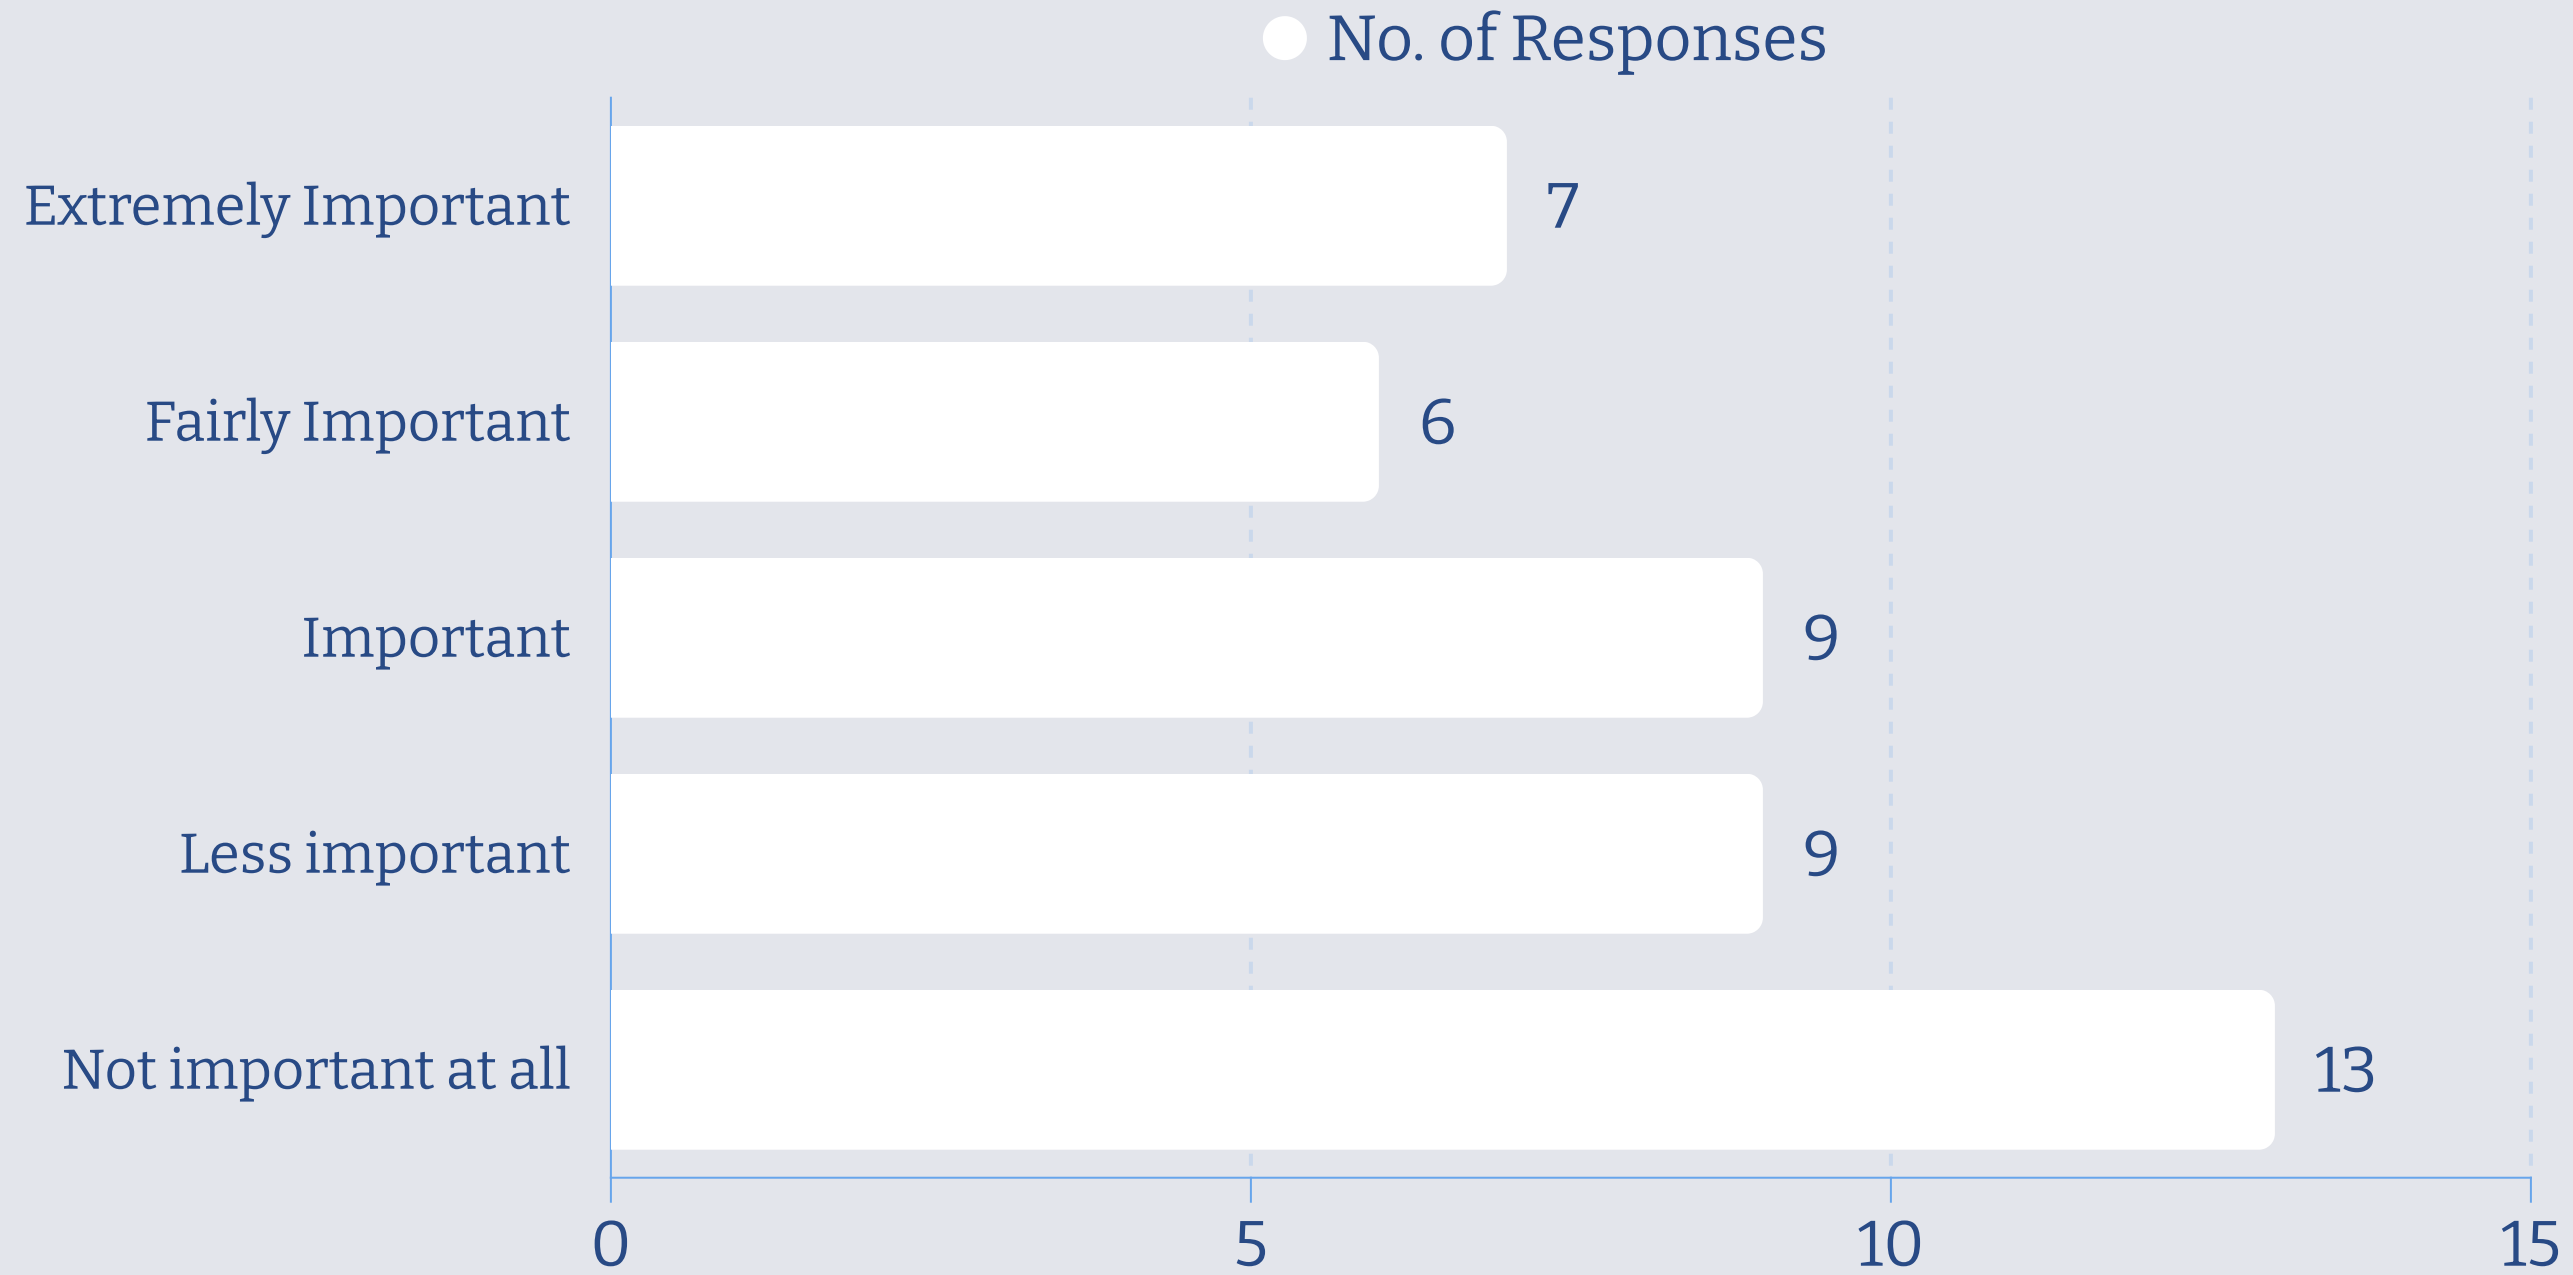

Supporting employees with financial wellbeing

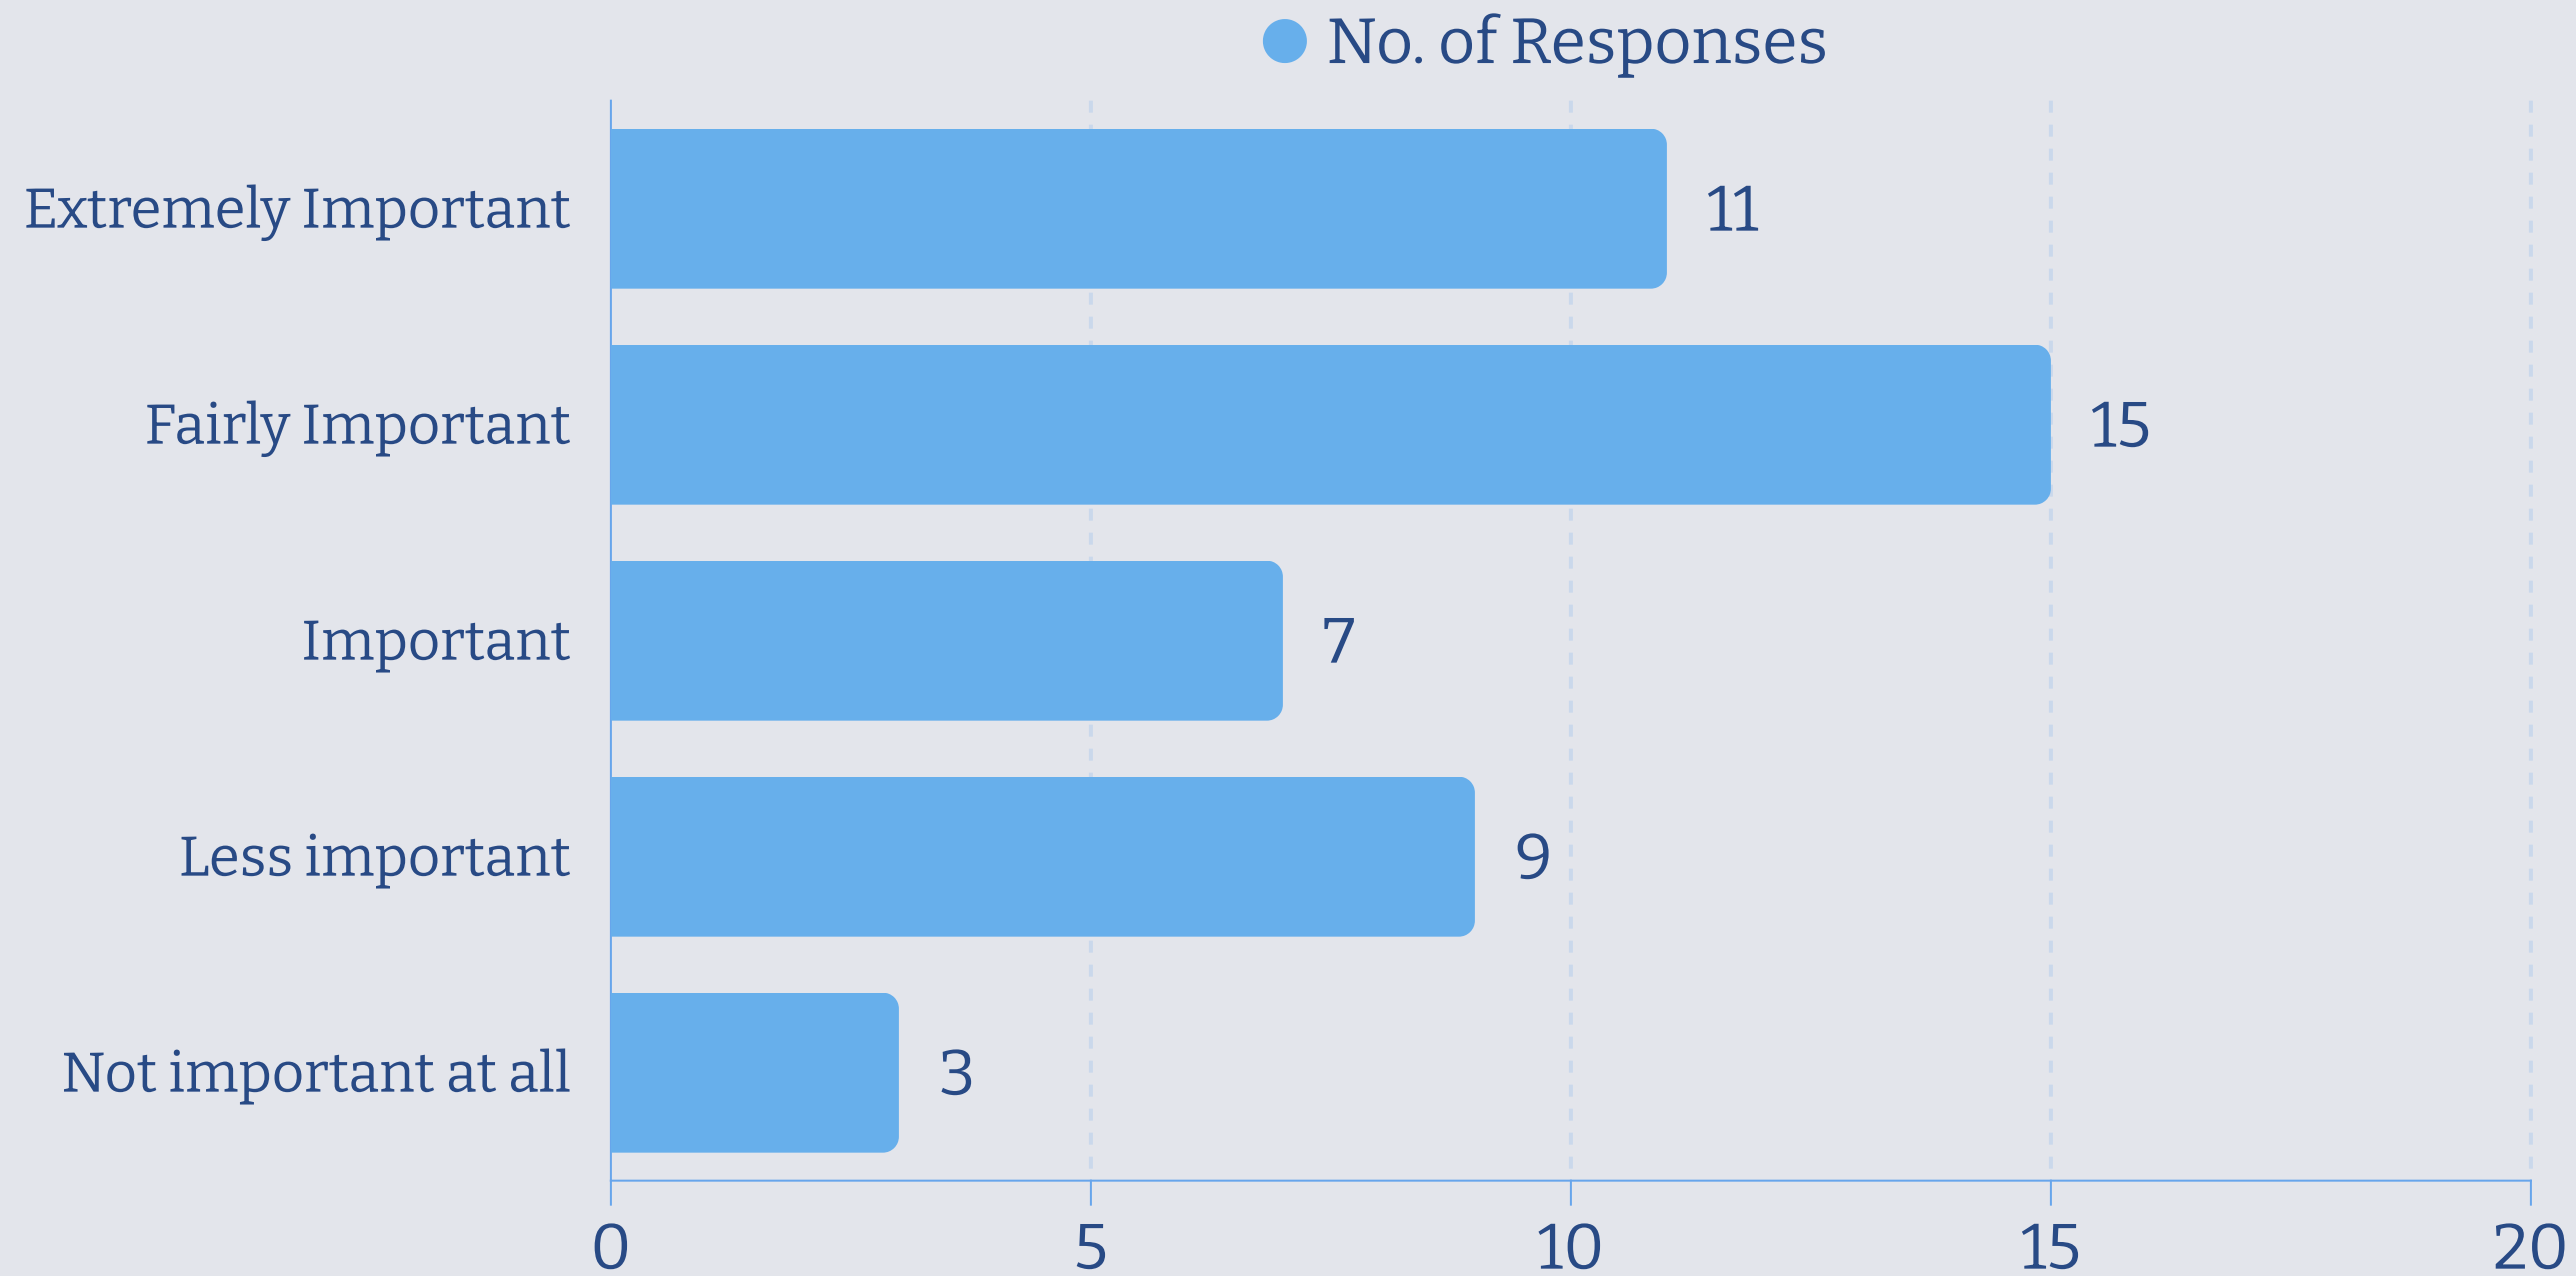

Digitising your employee benefits to offer more flexibility

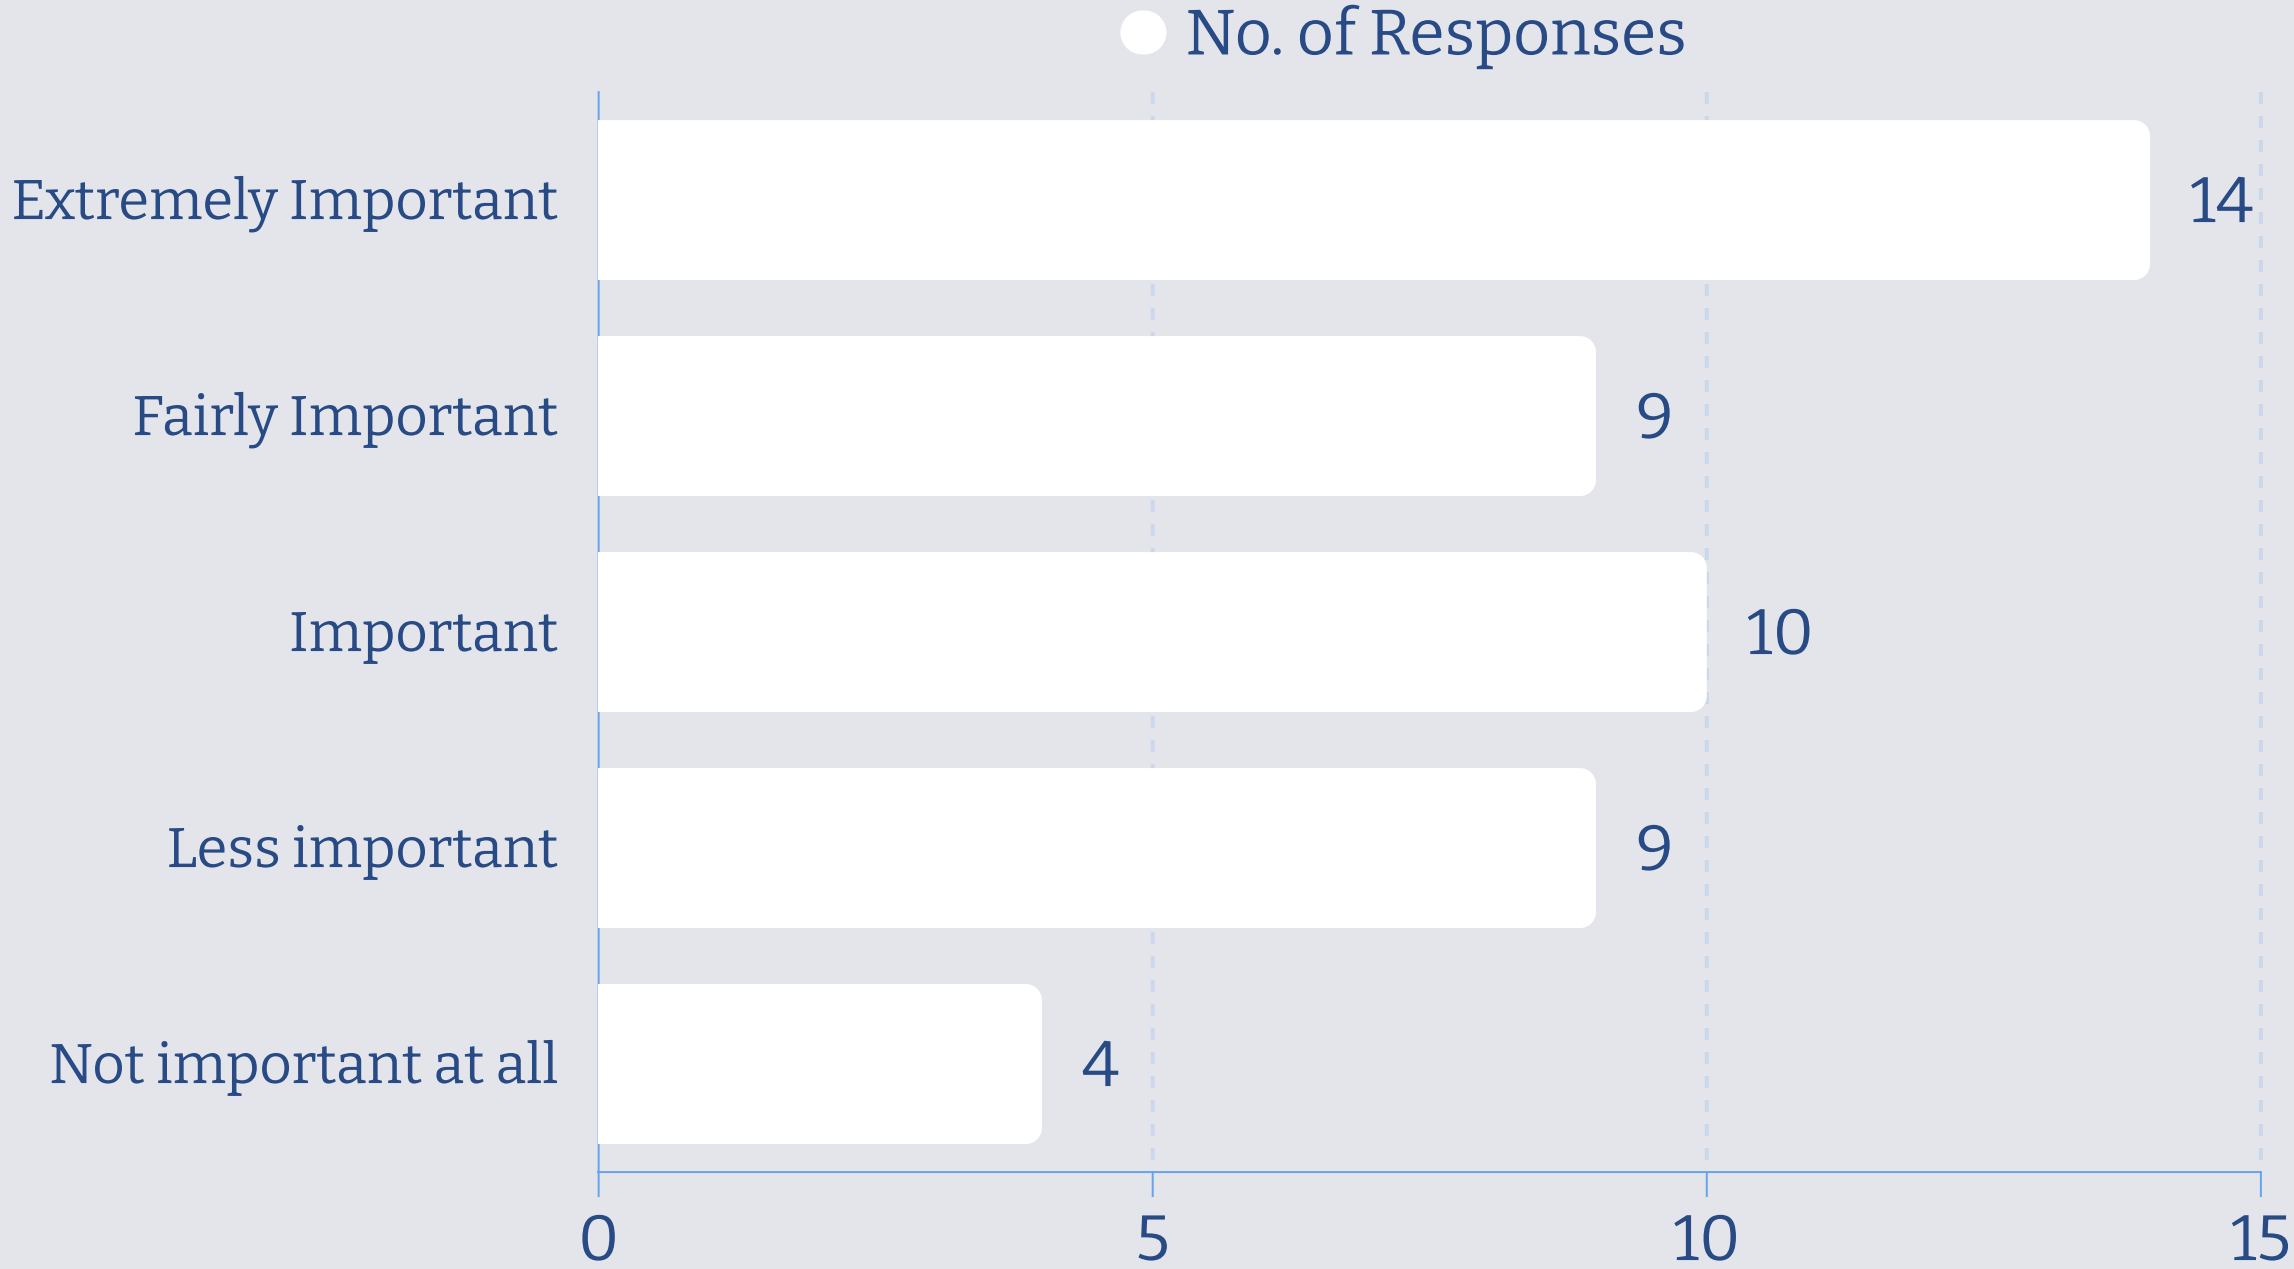

Benefits in countries outside the UK

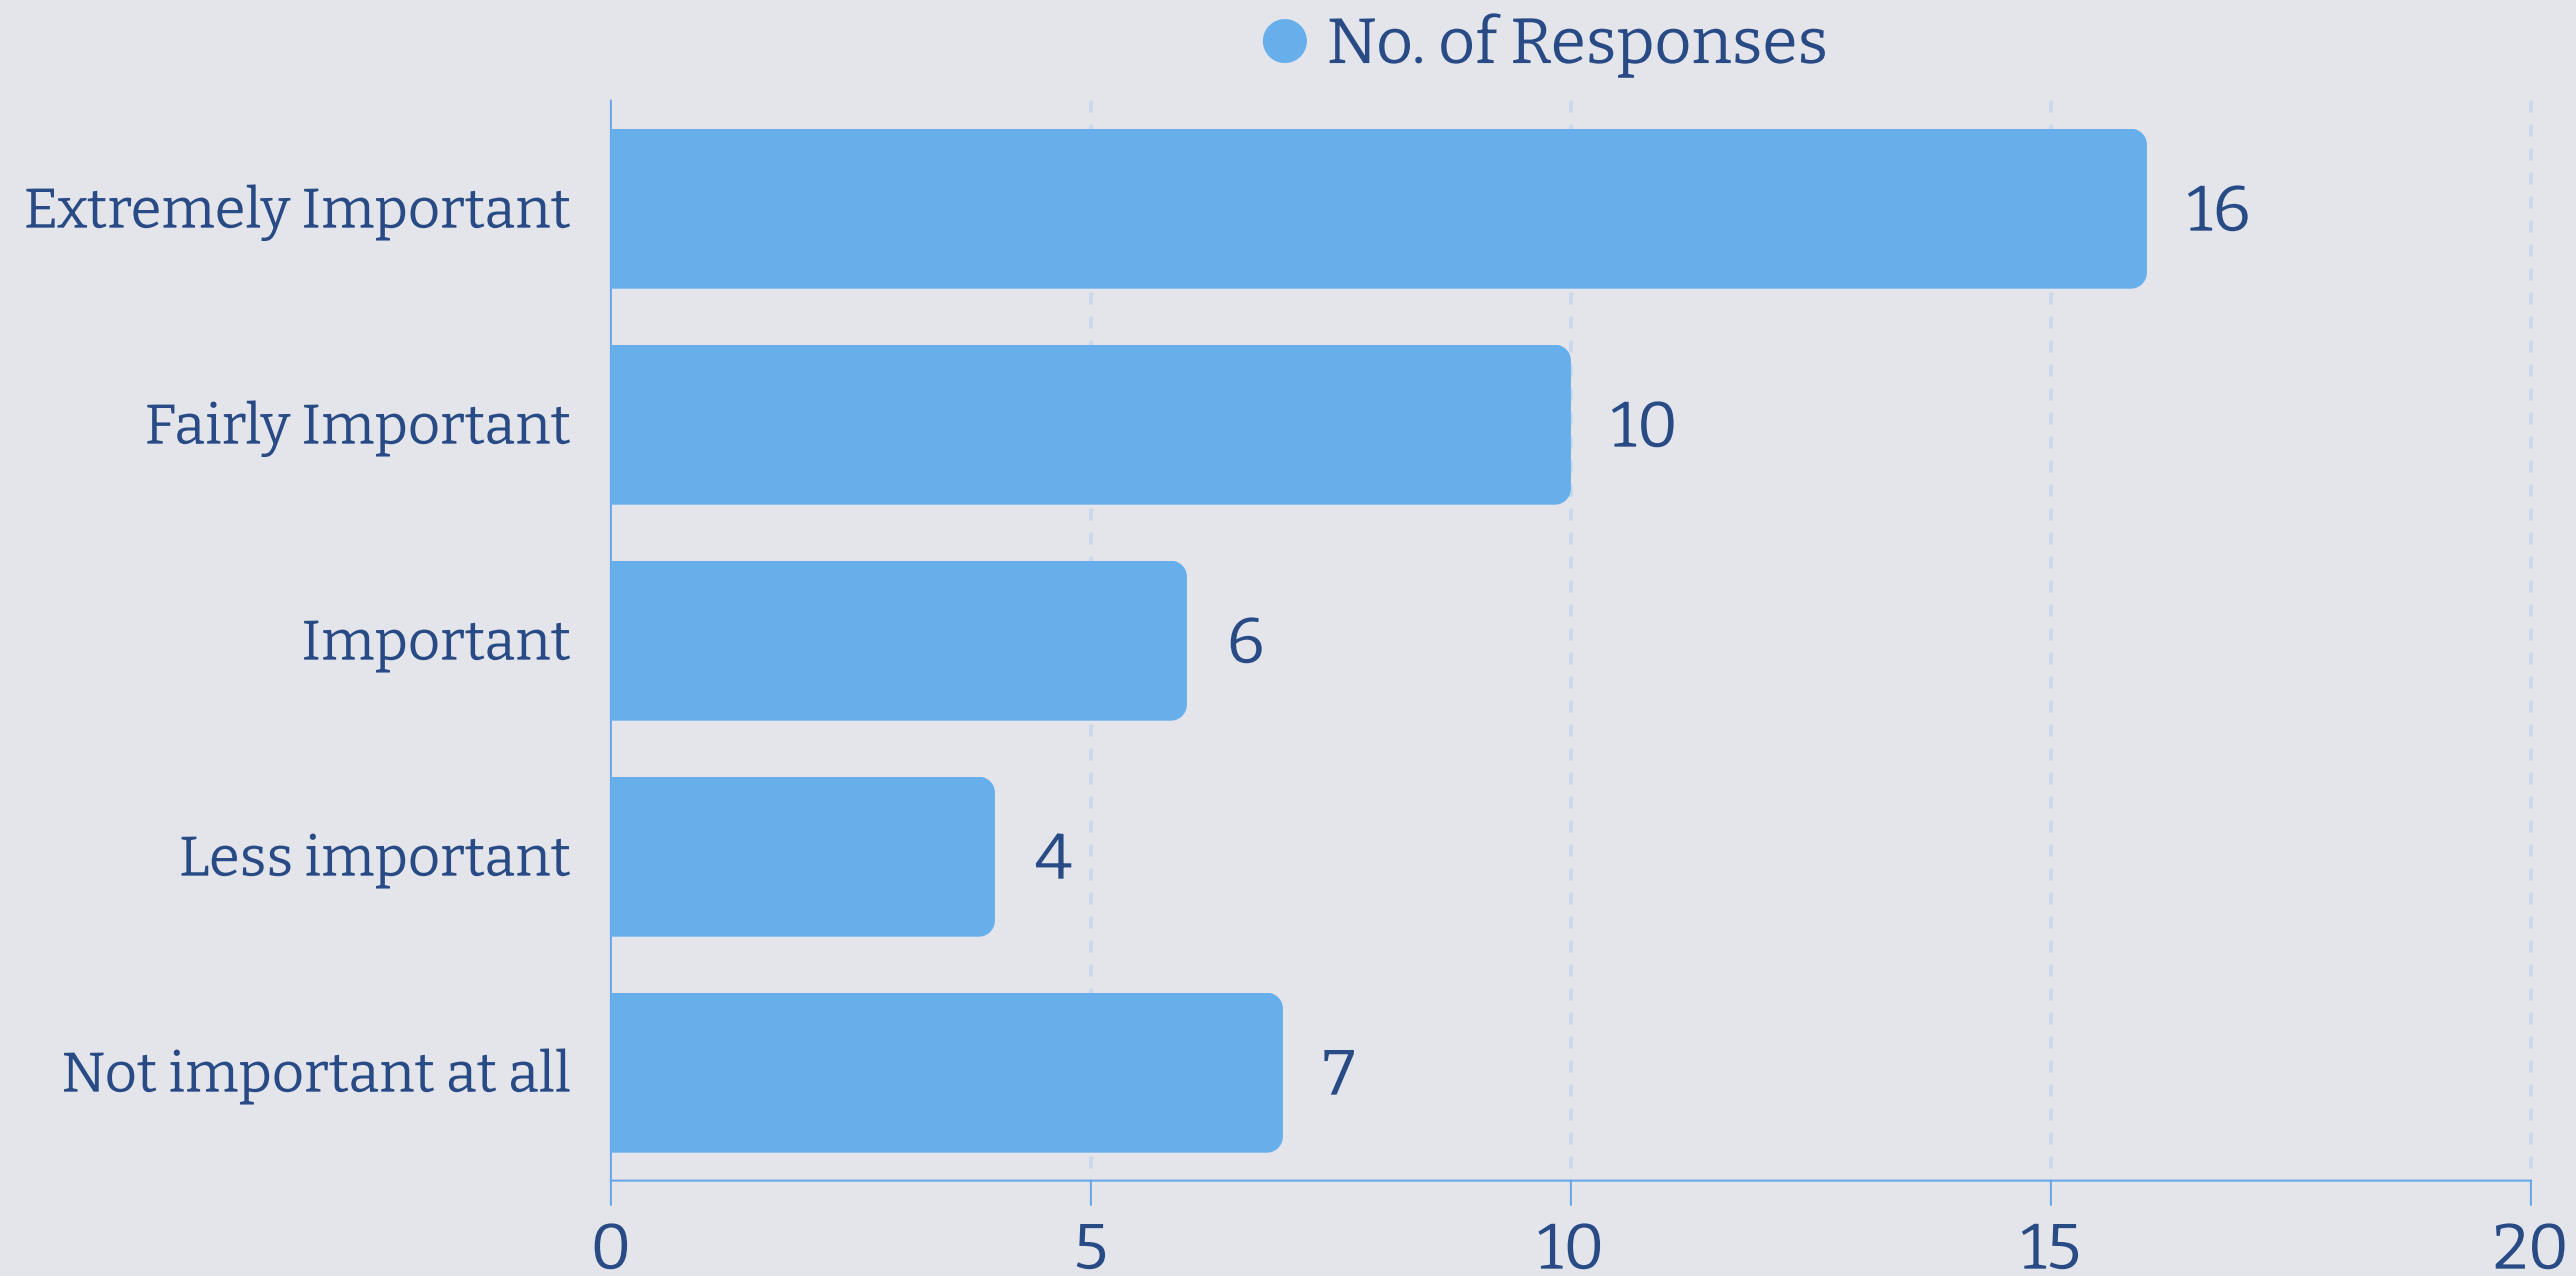

Communicating free added value benefits

Supporting employees approaching retirement

Benchmarking your benefits against your competitors
